

Certificate of Conformity

digitalSTROM marks license

plan44.ch , Lukas Zeller
Hermetschloostr. 70
8048 Zürich
Switzerland

is authorized to use the legally protected and registered marks as shown below for the type listed in this document.

The mark is to be used on the certified product itself and on the product packaging and advertisement material of the certified product. The digitalSTROM-ready mark signals plug and play compatibility to the end user. The mark is shown whenever possible green on white (positive), but can also be white on green (negative). Illustration size shall be 10mm wide or larger.

This marks approval is valid for the following type:

plan44 digitalSTROM bridge for DALI, EnOcean and hue, type P44-DSB-DEH, Firmware version 1.0

The type listed above integrates devices according to the list on page 2 of this certificate. The integrated devices conform to the digitalSTROM device profiles listed on page 2 and have been tested and certified according to the following digitalSTROM norms:

digitalSTROM Standard Device Behavior V 1.1

digitalSTROM Allianz

A handwritten signature in black ink, appearing to read "L. Zeller".

Certificate No. 020114-0002-01

Place Schlieren

Date 2014-11-26

Last Update 2014-11-26
