

Certificate of Conformity

digitalSTROM marks license

Electro Blanc AG
Industriestr.592
4652 Oberbuchsitzen

is authorized to use the legally protected and registered marks as shown below for the type listed in this document.

The mark is to be used on the certified product itself and on the product packaging and advertisement material of the certified product. The digitalSTROM-ready mark signals plug and play compatibility to the end user. The mark is shown whenever possible green on white (positive), but can also be white on green (negative). Illustration size shall be 10mm wide or larger.

This marks approval is valid for the following type:

Products: ecoMIB HZE, ecoMIB DUO

Types: 100, 150SL, 200, 250SL, 400, 400SL, 500SL, 600, 600ML, 900, 900ML, 1100

The type listed above conforms to the following digitalSTROM device profiles:

heating valve actuator

The type listed above was tested and certified according to the following digitalSTROM norms:

digitalSTROM Standard Device Behavior V 1.2

digitalSTROM AG

A handwritten signature in black ink, appearing to be "F. B. L.", written over a horizontal line.

Certificate No. 010117-0001-01
